How Has Being an Employee Bettered Your Life?

Having a job has given me a sense of purpose and belonging. It is also a part of who I am as a person.

How Has Your Role Expanded Since You Started?

- I now help train new employees
- My supervisor says that I have a good attention to detail and train new employees the RIGHT way!
- I am now also working some evening and weekend hours!

What would you tell someone who is thinking about getting a job?

- DO IT!!!!
- You CAN work you just have to find the right job with the right people!

How Do Your Coworkers and Supervisors Support You at Work?

They support me with anything I need help with! I know that I can ask them for help with anything!

What Does Your Employment Specialist Help You with Now that You are Employed?

- ▶ She is helping me learn new skills such as money math so I can run the cash register. That is my next big goal at work.
- ▶ She also checks with me and my supervisors to make sure everything is going ok.
