

Supported Employment Works for Caitlyn

Caitlyn moved to Louisville because she wanted better access to services. The SCL waiver helps her participate in day training and behavior supports. She lives with a family home provider. And, she found her job at Xscape Theatre through supported employment. In the past, she has worked at Cheddars and Ross.

Her job at Xscape Theater includes serving as an usher, cleaning the theaters once the movies are over, refilling and cleaning the drink counter, and cleaning the restrooms. She loves cleaning and meeting new friends.

Caitlyn plans to keep making friends and some day have her own apartment and a pet like a dog or guinea pig...
